

## **Quality Policy**

Aligned with ISO 9001 and SQS-D principles and requirements, Swagelok Indonesia is committed to understand our customers' needs and act on them. We leverage on our collective talents and cross border industry knowledge to stay ahead of market demand in the challenging business environment.

To achieve this goal, we continually improve the Quality Management System by:

- Strategically aligning our teams
- Enabling availability and Operational Excellence
- Surrounding customers with unmatched expertise and value
