# SERVICING THE SUB-SAHARAN REGION OF AFRICA

# SERVICING THE SUB-SAHARAN REGION OF AFRICA

Swagelok Sub-Saharan Africa is the authorised sales and service centre of Swagelok Company manufactured products and services. Established in 1985, we are based in the major cities of South Africa, including Cape Town and Durban, with our head office situated in Johannesburg. We provide our products and services to the SADC region and also northern, western, eastern and central regions of Africa

Swagelok Company is a major developer and provider of fluid system solutions, including products, assemblies and service for research, instrumentation, pharmaceutical, oil and gas, power, petrochemical, alternative fuels and semiconductor industries. Our manufacturing, research, technical support and distribution facilities support a global network of more than 200 authorised sales and service centres in 70 countries.

We aim to provide our customers with a highly professional service that reflects our Swagelok values at all times. We have on-hand teams of highly skilled customer service advisors, technically proficient staff and engineers who are committed to fulfilling our promise of responding to customer needs quickly and efficiently.
