

# Something for Everyone

Swagelok premium-quality, leak-tight Components deliver ultra-reliable performance in even the most challenging industrial applications and operating conditions.

Here are **just a few** proven and trusted examples:

## OIL & GAS

### GRAB SAMPLING SYSTEMS

Safely, efficiently, and effectively capture gas and liquid samples for transportation to a lab for analysis. Whether you require closed-loop sampling into pressure-rated cylinders OR want to collect liquids and non-volatile process fluid into glass bottles, our options are safe, intuitive, easy to maintain, and available as a single part number.

### MECHANICAL SEAL SUPPORT SYSTEMS

Ensure that your rotating equipment stays online and performs optimally – at less cost. We offer systems in various API plan configurations that are assembled according to exacting API Standard 682:

- *Shaft Sealing Systems for Centrifugal and Rotary Pumps.*

### GAS DISTRIBUTION SYSTEMS

Make certain that gases get to where they're supposed to go. Our standardized and customized solutions protect operators, increase uptime, and substantially improve overall process accuracy and repeatability. Swagelok modular panels are intuitively labeled and feature minimal threaded connections, drastically lessening leakage potential.

## CHEMICAL

### TUBE FITTINGS

For even the severest corrosive environments, extreme temperatures, or high pressures, we have a vast array of the industry's finest Tube Fittings for your processing requirements.

### HOSE AND FLEXIBLE TUBING

Choose from millions of variations of metal core, PTFE/PFA core, rubber core, and thermoplastic core options for those applications demanding Industrial Hoses that meet or exceed your performance criteria.

### MEASUREMENT DEVICES

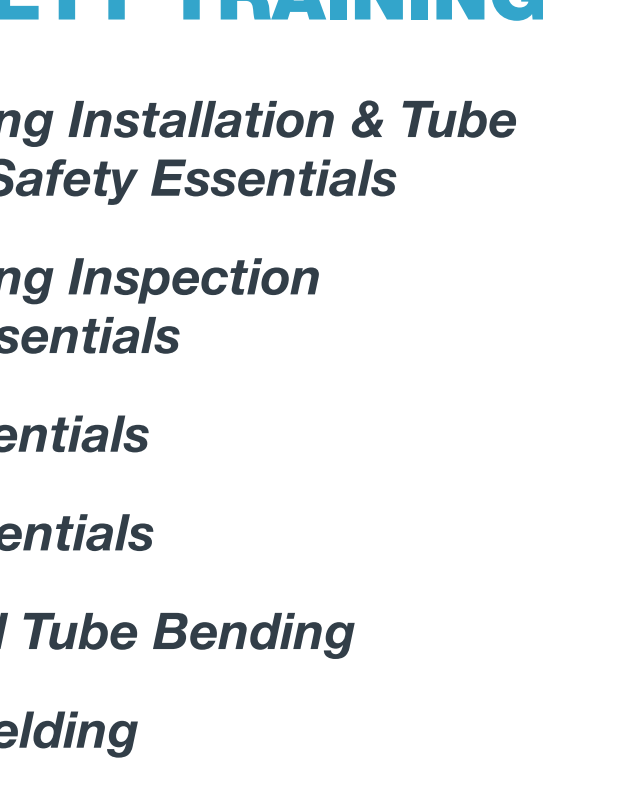

Our Pressure Gauges, Pressure Transducers, Flow Sensors, Flowmeters, and Thermometers are easy to use, read, and extremely dependable to maintain optimal fluid conditions throughout your plant or project.

## POWER

### VALVES

Swagelok Valves are known for their unparalleled service life. We offer a wide variety of Ball, Check, Needle, Metering, Relief, Plug, Bleed-and-Purge, Bellows-Sealed, and other Valves for superior durability and low maintenance, especially in your most arduous applications.

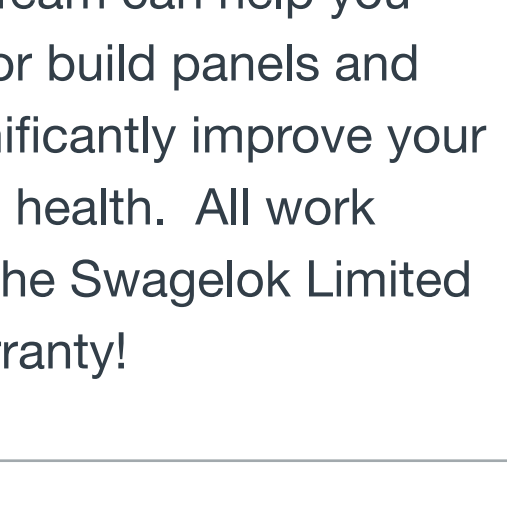

### REGULATORS

Get precise control with our spring-loaded or dome-loaded Pressure-Reducing or Back-Pressure Regulators that keep your workers and facilities safe by handling an extensive range of pressures and flows.

### QUICK-CONNECTS

Drastically reduce spillage and air inclusions in your system with our Quick-Connect configurations – Full-Flow, Instrumentation, Miniature, and PTFE-Sealed.

**PLUS,**  
for all fluid-handling-related markets,  
**WE OFFER:**

## COMPREHENSIVE SAFETY TRAINING

- Tube Fitting Installation & Tube Bending Safety Essentials
- Tube Fitting Inspection Safety Essentials
- Hose Essentials
- Valve Essentials
- Advanced Tube Bending
- Orbital Welding
- Process Analyzer Sampling Systems
- Sampling System Maintenance
- Advanced Materials Science

**Call or Text 412.439.1706 to set up your event, your place or ours, today.**

## MASTERFUL CUSTOM FABRICATION

Sub-Assemblies to Assemblies, our Swagelok-certified Custom Fabrication Team can help you design and/or build panels and skids to significantly improve your Bottom-Line health. All work covered by the Swagelok Limited Lifetime Warranty!

## TOOL RENTALS

Pristinely maintained and always in stock: Multi-Head Hydraulic Swaging Units, Benchtop Benders, Standing Tube Benders, and Orbital Welding Packages. Don't buy new when you can lease for short-term or infrequent use:

**Call or Text 412.439.1706**

And please watch for our next issue – when we'll discuss some of our innovative, productivity-boosting solutions for Clean Energy, Research & Development, and General Industry!

**WE DELIVER DIFFERENCE-MAKING SOLUTIONS:**

Products | Strategic Support Services | Application Know-How

**The Brand. The Inventory. The Expertise.**

**WE'RE YOUR SWAGELOK FLUID-SYSTEM SOLUTIONS PROVIDER**

Industry-Best Componentry | Masterful Custom Fabrication | Expert Safety Training | Extensive Energy Evaluations | Unparalleled Application Knowledge | Comprehensive Hose Advisories | Proven Inventory Management Support | Genuine Swagelok Tool Rentals
