

When you need Expert Answers

concerning your toughest application challenges, just...

Ask Swagelok

...introducing a new periodic video program from the world-leader in fluid system innovation and excellence! Now you can get trusted, proven, and timely intel directly from our scientists, engineers, product specialists, and other Swagelok subject masters regarding:

- Materials Science
- Component Design
- System Operation and Optimization
- Oil & Gas, Chemical, Clean Energy, Applied Research, and other Market Trends
- ...and so much more!

Click here to view our initial brief programs, including:

- **Hydrogen Embrittlement**
- **Hydrogen Fluid System Design**
- **Liquid Sampling, and more...**

Then, please provide feedback as to which future topics would be important to you: ask@swagelok.com

In the coming months, we'll be adding special editions for **Pitting and Crevice Corrosion**, **Clean Energy Certifications**, and **Refinery Leak Detection**.

Also, be sure to check out Swagelok Webinars On Demand

Watch as Swagelok shares critical and extensive insights for:

- Plant Turnarounds
- Maximizing Gas Distribution System Performance
- Safe and Effective Ammonia Sampling
- Ideal End Connections to Avoid Leakage
- Mastering Hose Selection
- Improving High-Viscosity Sampling Accuracy
- ...and so much more!
