

Engineering Services - Field Engineer

Swagelok employs a team of engineers throughout the world as an extension of our headquarters in Solon, Ohio. Their mission is to be the technical liaison and advocate between the customer, our distributor network, and the factory by providing an extension of Swagelok engineering resources. Their primary focus is to provide technical expertise through a sound understanding of our customer's applications.

Anas Masood Kadri

Home City: Jeddah, Saudi Arabia

Degree: BTech. Electronics & Telecommunication

Joined Swagelok: July 2024

Supporting Regions: Kingdom Saudi Arabia

Cell Phone: 966- 550527549

Email: Anas.Kadri@swagelok.com

Background:

Anas started his first job as an Instrumentation Engineer at Pidilite Industries IPAc & Adhesive Plant. His first job provided him with significant exposure that greatly enhanced his knowledge in Petrochemical plant operations, Boiler & Utility operations, Field Instrumentation and Process Automation.

Further, he garnered knowledge in Emerson Delta V DCS as a Project Engineer at Emerson's System, Integrator in Mumbai.

Later, he joined Naizak Global Engineering where he had opportunity to work on multiple Analyzers and Sampling systems supply, install & commissioning projects for Saudi Aramco & SABIC Affiliates in Yanbu.

He joined Swagelok Saudi Arabia in July 2024 as Regional Field Engineer. Based in Jeddah, he will be supporting our customers in Yanbu, Rabigh, Jeddah & Jizan but his support extends across Saudi Arabia & the surrounding region.

Services:

- Understand customer needs for specific product or custom solution requirements.
- Review P&ID and translate into possible Swagelok solutions
- On site collaborative problem solving and troubleshooting customer's systems
- Familiar with Industry best practice, Instrument hook-ups, preventive maintenance, Process instrumentation and control.
- Product specific training to customers

Market Expertise:

Chemicals, Petrochemicals, Power & Water, Oil & Gas Downstream and General Industries like Steel, Foods & Pharmaceutical.

Product Knowledge:

Pressure, Level, Temperature and Flow measurement products, Swagelok products, Sampling stations and Custom solutions.

Personal:

Anas Enjoys Photo/Videography & Video editing and short videos creation. He also enjoys cooking.
