

Engineering Services - Field Engineer

Swagelok employs a team of engineers throughout the world as an extension of our headquarters in Solon, Ohio. Their mission is to be the technical liaison and advocate between the customer, our distributor network, and the factory by providing an extension of Swagelok engineering resources. Their primary focus is to provide technical expertise through a sound understanding of our customer's applications.

Basim Kareem

Home City: UAE

Degree: BS Mechanical Engineering

Joined Swagelok: March 2007

Supporting Regions: UAE

Cell Phone: 216-632-0635
